UPCYCLING FROM BEER TO BEEF

Fenwick Farms Brewing Co. is proud to partner with CULP FAMILY FARMS to serve locally sourced beef and pork throughout our menu! We keep our spent grains out of the landfill by providing them to feed the Culp's cattle. We'd like to think of this waste diversion as pre-seasoning if you will. From CONE KEEPERS' locally sourced hops to Culp Family Farms' beef and pork, Fenwick Farms Brewing Co. goes from farm to beer and back again.
